FISCAL ANALYSIS

ASSUMPTION

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Oversight notes that current statute allows school districts to be excused with compliance of certain statutes when funding is withheld by the Governor in fiscal years 2011, 2012 and 2013. This proposal would extend to all future fiscal years the excuse from compliance due to the Governor withholding funds. Oversight assumes the extension of this proposal into future fiscal years would not have a direct fiscal impact.

Officials at the **Kansas City Public Schools** assume no negative fiscal impact from this proposal.

Officials at the **Everton R-III School District** and the **Special School District of St. Louis** each assume there is no fiscal impact to their respective school districts from this proposal.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
